A motion was taken from M. Bobholz, seconded by Duchac to approve the payment of a per diem to Donna Maly for her attendance of the Steering Committee for the duration of the project. The motion was approved. Maly abstained from the vote.

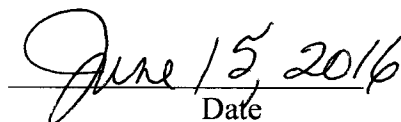

Under the IT Director's report the following were summarized and reviewed:

- Details was shared with the Committee of an appliance from Fortinet. This appliance is being tested to see if it will help combat ransomware that continues to attack the County.
- Dodge County Website upgrade – Susie met with the team formed to help design the new website. The contract is sitting with Corporation Counsel.
- HIPAA Risk Assessment – Interviews will be held the last week of June with key departments and HIPAA Officers. The consultant will also review all policies and procedures of the County for HIPAA and perform a systems security check.
- Kronos project – Advanced Scheduler is moving forward. Talent Acquisition is scheduled for middle of June. Request of the Committee was what we are paying for maintenance for things that are not yet installed. Will get back to the committee on that.
- NetSmart – Go live has been pushed back to September 1st due to the PPS report (state) not yet ready for testing.
- Secured electronics – progress continues.
- EMC World Conference – great takeaway from the event. The focus on flash storage and converged technology. Education for the Network team.

Suggested next committee meeting date: Wednesday, June 15th at 6:00 PM in Room 2A, 2nd floor in the Dodge County Administration Building, 127 E. Oak St. Juneau, Wisconsin.

Meeting adjourned by Chair Donna Maly.
